For purposes of this request:

1. The terms “relating to or concerning” mean in whole or in part to discuss, describe, reflect, memorialize, contain, analyze, study, report on, comment on, evidence, constitute, embody, identify, state, consider, recommend, set forth, concern, address, deal with or in any way pertain to.

To the extent any of the records responsive to this request are stored in electronic format, please also provide a copy of the records in their native electronic format on CD-ROM or other media that will enable us to load the records onto a computer.

If, for any reason, the US EPA decides to withhold or otherwise redact information contained in its files relating to the public records described above on the basis of privilege, please provide a statement describing the nature of any such material and the basis for any such decision, citing the legal authorities on which the US EPA relies.

We hereby agree to pay copying costs and other reasonable costs necessary for the above requested documents up to five hundred dollars (\$500.00). In the event such fees may be in excess of five hundred dollars (\$500.00), please contact me prior to incurring any costs. In the alternative, we are amenable to electronic disclosure of the records requested to the extent that such disclosure is more convenient and may be made in a more expeditious fashion. To the extent that certain reports and/or data are available before others, we ask that you please provide such documents on a rolling basis.

If you have any questions regarding this request, please feel free to contact me by email at robert.fernandez@thomsonreuters.com. Thank you in advance for your attention to this matter.

Very truly yours,
